

UNITED WAY DONATIONS

DONATIONS CAN BE DESIGNATED TO THE HARVEST PROJECT THROUGH THE UNITED WAY.

The Harvest Project does not receive funds directly from the United Way; however, you or your company can donate to the Harvest Project through the United Way. There are no associated administration costs and the United Way will issue you a tax receipt.

GIFTS THROUGH YOUR WILL (“BEQUESTS”)

Bequests, which are gifts made through your will, are the most common way to make a planned gift. Leaving a bequest to the Harvest Project is simple and involves minimal cost to you.

You can either make a new will or amend an existing will. You can bequest a specific sum of money or a percentage of your estate, personal property, or the residue of your estate. Bequests provide significant tax relief for estates.

Ask the professional drafting your will to contact the Harvest Project for correct bequest language.
